Remarks

Astoria now has dibs on some of the best pizza around, thanks to this recently expanded little pizzeria-cum-restaurant. In addition to quadrupling capacity and adding a lovely garden patio, Chef Barbos has augmented the already massive pizza menu with a handful of hearty pastas and entrées. Masterfully done *pizzucca*, topped with herbed pumpkin walnut sauce, homemade mozzarella, pancetta, and *Parmigiano Reggiano* is a luscious choice. Or, go for *il polpettone*, a wonderfully puffy and golden brown *panino*, stuffed with beef meatballs, tomato sauce, and olive oil. The *lasagna verde*—a unique potato-pesto version topped with mozzarella and a sprinkling of breadcrumbs—is served with pesto, mascarpone, and marinara to reflect the colors of the Italian flag.
